Dear Judge Ricardo:

Pursuant to this Court's January 16, 2025 Order (ECF No. 74, the "Case Management Plan"), the parties jointly submit this letter to update the Court on the status of the above-captioned action.

The parties are engaged in discovery pursuant to the schedule set forth in the Case Management Plan. On January 6, 2025, the parties exchanged their initial disclosures. On February 13, 2025, following the parties' meet and confer process, the parties submitted, and on February 14, 2025 the Court entered, the: (i) Stipulation & Order Governing The Treatment Of Confidential Information (ECF No. 78); (ii) Stipulation & Order Governing Electronic And Hard Copy Discovery (ECF No. 79); and (iii) Stipulation & Order Governing Deposition Protocol (ECF No. 80).

On February 18, 2025, the parties exchanged their initial requests for production and initial interrogatories (collectively, "Initial Requests"). The parties' respective responses and objections to the Initial Requests are due on March 20, 2025, after which point the parties expect to meet and confer regarding the appropriate scope of production in response to the Initial Requests. On February 24, 2025, the parties began serving subpoenas on third parties. A total of seven third party subpoenas have been served to date.

The parties do not currently have any disputes or issues to raise with the Court at this time. We are available to discuss any questions.
